

Florence Nightingale by The Big Bubble Theatre

The Year 2 children were able to engage in a drama workshop to begin their learning about Florence Nightingale. We travelled back in time to 1820 and learnt about Florence's remarkable life.

The children were fantastic actors and were able to play the role of her parents, soldiers, nurses, rats, and Queen Victoria. As a result of this immersive experience, the children are now able to recall a variety of facts about Florence and this will be used to support their learning in History for the rest of this half term.
