

NURSERY SUPERHEROES!

At the end of our 'Heroes' topic, the children in Nursery took part in their own Superhero morning. Supertato was missing and it was our mission to find him.

During the morning, we had to find clues which had been hidden around school and complete a number of challenges to find Supertato who had been taken by Evil Pea!

Luckily, working together as a team, we managed to solve all of the clues and complete all of the challenges. We found Supertato who had been shut in the freezer in the kitchen but he was frozen!

Using a range of tools and some warm water, we were able to free Supertato from the ice. Luckily Mrs Goodban captured Evil Pea outside of Nursery and we were able to return him to the freezer so he didn't manage to cover any one else in ice!

We all had such a fantastic morning and the children all looked incredible in their hero clothes! Thank goodness for the Nursery children – they saved the day!!
