Picnic time!

After a smooth and safe journey we arrived at our destination!
During the coach ride we discussed the route we were taking and
spotted lots of geographical features.

After an early start we enjoyed a picnic
on the beach, thank you to our school
kitchen staff for preparing our yummy
picnic lunch!

Fun at the beach!

We used buckets, spades and our hands to create all kinds of sand sculptures. We loved using our imagination, it was so lovely to explore the beach with our friends.
