Day 2026

Friday 6 February

Look at our fantastic 'dress
up for a digit' outfits!

We dressed up for a digit,
look at our fantastic
outfits!

We had a Maths filled day
on Friday 6th February
2026.

We completed a number hunt around school. EYFS found Number Blocks hiding around the corridors. KS1 completed a 'crack the code' activity.

Reception and KS1 took part in Miss Cartwright's estimation challenge. We had to make a good guess to how many objects were in the jars.
