#### **Easter Event Update**

- MD has asked all the big companies – few donations coming in from Tesco and Morrisons.
- Plea to go on this week's newsletter and also PTA newsletter for egg donations from parents.
- NM to let MD know how many chocolates to purchase from the Easter bunny – **Update: 250 to be purchased (will check dietaries).**
- 9 prizes to be purchased for winners of the Easter Bonnet parade – 1 per class and 2 for Childcare. Look at ideas in The Works for the prize.

#### **Summer Fair**

- All agreed on a Sports Theme.
- NM & FM to contact Solihull Moors and All Court Tennis to see if they would be interested in running a stall/game in return for free advertising; LW to contact Leapfrog Sports for the same. If not, then LW to contact Footy Bugs and SA to contact Toddler Tennis.
- NM to speak to HighFlyers to see if they would like to perform a dance show as they have done previously.
- SB to seek quotes from LCE Inflatables for three inflatables for the back field and a couple of games.
- Look at getting quotes for Mascots to walk around the fair – only needed for half an hour. MD to look into getting a 'Gladiator' to attend.
- NM to send the email from Party Central to see what they could do and if they could provide a quote.
- Food – same as always, pizza and samosas.
- Will discuss food, drink, games, prizes etc in more detail at next meeting.
- All to try and gather quotes etc to take to the next meeting and keep looking for sponsorship.

#### **EYFS Event**

- Proposed date – **Friday 15 May 2026, 3.30-5.00pm**. NM to check this is suitable.
- MD to contact the entertainer we used last time in the first instance, if not SA suggested Tickety Boo.
- Once entertainer secured, NM to get letters ready.
- We will need volunteers and to purchase squash & biscuits.

#### **AOB**

- Year 2 Leaver's Disco – Advised that previously this event has been run by Year 2 parents and not the PTA - SA to liaise with Year 2 parents via WhatsApp to determine interest.
- LW suggested as a money raiser the PTA could sell ice creams after school once the weather gets better – if we could get the ice creams donated, then even better.
- We have lots of books to sell, these could go out after school on the playground with an honesty box.
- PTA agreed to purchase a rechargeable lawnmower for Mr Oliver to start cutting the grass – this will save the school money. FM to ask our gardener for ideas on which lawnmower to purchase.
