The swimming pool was spoken about and what the plans are. Would be great to turn it into a sports hall that could be used by the school and rented out in the evenings/weekends. FM said that quotes were coming in for between £55-£120k! SI asked if any funding was available which FM said she had already contacted Sport England and Swim England who had both said no. SA asked if more bike racks could be purchased but we are limited on space. SA asked about books being purchased – we no longer have anywhere to store these, but would raise the question. FM mentioned that Lloyds Bank were charging the PTA account £10 per month – suggestions that we switch bank account, which would be a hassle. FM will look into it.
