

Little Stars and Rockets Newsletter

Autumn 2025

Dear Parents/ Carers,

A very warm welcome to our new and returning Little Stars and Rockets. We have had a busy couple of weeks getting to know each other and our new rooms and the children are settling in so well.

Each term we will provide you with a newsletter detailing everything that we have planned, alongside this a weekly newsletter is also sent out to you on a Friday where we give an update for that week on any activities or learning experiences.

Curriculum overview

Our theme this half term for Little Stars and Rockets is "Let's start at the very beginning" and an overview of the children's learning can be found [here](#).

Key Person

Your child has been assigned a Key Person who will be there to support your child and you through the settling in period and beyond; they will also ensure the individual needs of your child are met, provide a link between Childcare and home as well as monitor each child's development and their progress. Each Key Person will use their knowledge of each individual in their key group to plan fun stimulating activities which will promote children's holistic learning, development and well-being. It's important to us that we celebrate any special occasions that you as a family take part in, so please do let us know of these and send in some photos that your child can share with their Key Person and friends, along with a family photo.

Children's belongings

Please can we ask that all children's belongings are labelled, this includes clothing, coats, bags and water bottles etc.

Parent consultations

We will be holding our parent consultations week beginning 20th October and our time slots are now available to book by calling or speak to a member of staff on drop off/collection.

Rockets will be holding theirs Monday-Thursday between 9.00am and 10.30am. Little Stars will be holding theirs Tuesday-Thursday between 3.30pm and 4.45pm. This is a 10-minute appointment for you to meet with your child's key person to discuss their development and their next steps. If you feel you would need longer than 10 minutes, then please ring to arrange this. These appointments are face to face, however we can arrange for them to be held via a telephone call. Please speak with your child's key person to discuss this.

Christmas Stay and Play

On Wednesday 17th December we will be holding our Christmas stay and play from 9am-10am. There will be fun, festive activities for you to take part in as well as an opportunity to meet with some other parents. We welcome siblings, grandparents and any other relative to come along and join in the festive fun.

If you have any queries or wish to discuss anything further, please do not hesitate to get in touch.

Yours sincerely
