

# Childcare Newsletter

## Spring 2025

Dear Parents/Carers

Each term we will provide you with a newsletter detailing things that we have planned. Alongside this, a weekly newsletter is also sent out to you on a Friday, which includes an update of what the children have been doing throughout the school as well as other useful information for parents.

### *Curriculum overview*

Our theme this half term is 'Magical times in Nursery Rhymes'. An overview of the children's learning can be found [here](#).

### *Staffing Update*

As you may have seen on last week's weekly newsletter, this term we are delighted to welcome back Miss Wood, one of our Team Leaders, who has returned from maternity leave. She will be in setting on Mondays and Fridays.

### *Ofsted Inspection*

As you will be aware, we were inspected by Ofsted on Wednesday 22<sup>nd</sup> January 2025; this was a routine inspection. I am delighted with how the inspection went and was as proud as ever to showcase all that we have to offer the children and our families. Thank you to all those that took the time to speak with the inspector and who emailed in feedback, which was shared with her. The report is due to be published in the coming weeks and I am very much looking forward to sharing it with you all.

### *Mother's Day Stay and Play*

On Wednesday 26<sup>th</sup> March we will be holding our Mother's Day themed stay and play from 9.00-10.00am. There will be lots of fun activities for you to take part in, as well as an opportunity to meet with some other parents. We welcome siblings, grandmothers, aunts and any other relative to come along and join in the fun.

### *Key Person*

Your child has been assigned a Key Person who will be there to support your child and you through the settling in period and beyond; they will also ensure the individual needs of your child are met, provide a link between Childcare and home as well as monitor each child's development and their progress. Each Key Person will use their knowledge of each individual in their Key Group to plan fun stimulating activities which will promote the children's holistic learning, development and well-being and you are welcome to speak with your child's Key Person about this at any point, so please pop in or give us a call to make an appointment.

### *Parent consultations*

We will be holding our parent consultations on Monday 10<sup>th</sup>, Tuesday 11<sup>th</sup> and Wednesday 12<sup>th</sup> February and our time slots are now available to book. This is a 10-minute appointment for you to meet with your child's Key Person to discuss their development and their next steps.

If you have any queries or wish to discuss anything further, please do not hesitate to get in touch

Yours sincerely
