This Policy is based on the DfE's Model Policy for Complaints.

Who Can Make a Complaint?

This complaints procedure is not limited to parents or carers of children that are registered at the school. Any person, including members of the public, may make a complaint to Streetsbrook Infant & Early Years Academy about any provision of facilities or services that we provide. Unless complaints are dealt with under separate statutory procedures (such as appeals relating to exclusions or admissions), we will use this complaints procedure.

The Difference Between a Concern and a Complaint

For the purposes of this policy, a concern is defined as *'an expression of worry or doubt over an issue considered to be important for which reassurances are sought'*. A complaint is defined as *'an expression of dissatisfaction however made, about actions taken or a lack of action'*.

It is in everyone's interest that concerns and complaints are resolved at the earliest possible stage. Many issues can be resolved informally, without the need to use the formal stages of the complaints procedure. Streetsbrook Infant & Early Years Academy takes concerns seriously and will make every effort to resolve the matter as quickly as possible.

If you have difficulty discussing a concern with a particular member of staff, we will respect your views. In these cases, the Headteacher, will refer you to another staff member. Similarly, if the member of staff directly involved feels unable to deal with a concern, the Headteacher will refer you to another staff member. The member of staff may be more senior but does not have to be. The ability to consider the concern objectively and impartially is more important.

Informal concern discussions will most likely have agreed outcomes and actions for the school and potentially the person raising the concern. These will be logged by the school and if appropriate shared with the person raising the concern.

We understand however, that there are occasions when people would like to raise their concerns formally. In this case, Streetsbrook Infant & Early Years Academy will attempt to resolve the issue internally, through the stages outlined within this complaints procedure.

How to Raise a Concern or Make a Complaint

A concern or complaint can be made in person, in writing or by telephone. They may also be made by a third party acting on behalf on a complainant, as long as they have appropriate consent to do so. All complaints should make clear their reasons for the complaint and what they believe will help or what action they desire to see a resolution to the complaint.

Concerns should be raised with either the class teacher or headteacher / member of the senior leadership team in the first instance. If the issue remains unresolved, the next step is to make a formal complaint.

All formal complaints submitted via email must be submitted using the schools' complaints email address:

- complaints@streetsbrook.solihull.sch.uk

Complaints sent to other email addresses will not be accepted. This is to ensure a fair and transparent process for the complainant and consistency for the school and complainant in managing the process.

Complaints may be raised in written form to the office marked private and confidential.

Complainants should not approach individual governors to raise concerns or complaints. Governors will remind any complainant to go through the schools agreed process which is available on the school's website or a paper copy can be again through a request at the school office. Governors have

no power to act on an individual basis and it may also prevent them from considering complaints at Stage 2 of the procedure.

Complaints against school staff (except the Headteacher) should be made in the first instance, to Mrs Minter, the Headteacher via the school office, or as previously outlined to the schools dedicated complaints inbox. Email complaints will only be accepted through this email account. Please mark them as Private and Confidential.

Complaints that involve or are about the Headteacher should be addressed to Mr Chadaway (the Chair of Governors), via the school office. Please mark them as Private and Confidential.

Complaints about the Chair of Governors, any individual governor or the whole governing body should be addressed to the Governance Professional via the school office. Please mark them as Private and Confidential.

For ease of use, a template complaint form is included at the end of this procedure. If you require help in completing the form, please contact the school office. You can also ask a third-party organisation for example like the Citizens Advice to help you. It is expected that all complainants use this form to ensure clarity of concern/complaint and a focus on resolution for all parties involved.

In accordance with equality law, we will consider making reasonable adjustments if required, to enable complainants to access and complete this complaints procedure. For instance, providing information in alternative formats, assisting complainants in raising a formal complaint or holding meetings in accessible locations.

Anonymous Complaints

We will not normally investigate anonymous complaints. However, the Headteacher or Chair of Governors, if appropriate, will determine whether the complaint warrants an investigation.

Complaint Campaigns

If we receive what we consider to be a large volume of complaints, all based on the same subject and possibly from complainants not connected to the school, then we will treat these complaints as being part of a campaign and respond in one of the following two ways, depending on the nature and scale of the complaint:

1. Send the same response to all complainants
2. Publish a single response on the school's website.

Managing Serial and Unreasonable Complaints

Our approach for managing serial and unreasonable complaints is committed to dealing with all complaints fairly and impartially, and to provide a high-quality service to those who complain. We will not normally limit the contact complainants have with our school. However, we do not expect our staff to tolerate unacceptable behaviour and will take action to protect staff from that behaviour, including that which is abusive, offensive or threatening. Our school defines unreasonable behaviour as that which hinders our consideration of complaints because of the frequency or nature of the complainant's contact with the school, such as, if the complainant does the following:

- Refuses to articulate their complaint or specify the grounds of a complaint or the outcomes sought by raising the complaint, despite offers of assistance
- Refuses to cooperate with the complaint's investigation process
- Refuses to accept that certain issues are not within the scope of the complaint's procedure
- Insists on the complaint being dealt with in ways that are incompatible with the complaint's procedure or with good practice

- Introduces trivial or irrelevant information that they expect to be considered and commented on
- Raises large numbers of detailed but unimportant questions and insists they are fully answered, often immediately and to their own timescales
- Makes unjustified complaints about staff who are trying to deal with the issues, and seeks to have them replaced
- Changes the basis of the complaint as the investigation proceeds
- Repeatedly makes the same complaint (despite previous investigations or responses concluding that the complaint is groundless or has been addressed)
- Refuses to accept the findings of the investigation into that complaint where the school's complaint procedure has been fully and properly implemented and completed including referral to the DfE
- Complains to Ofsted, local authority or other agencies without going through the schools' complaints process first and foremost.
- Seeks an unrealistic outcome
- Makes excessive demands on school time by frequent, lengthy and complicated contact with staff regarding the complaint in person, in writing, by email and by telephone while the complaint is being dealt with
- Uses threats to intimidate
- Uses abusive, offensive or discriminatory language or violence
- Knowingly provides falsified information
- Publishes unacceptable information on social media or other public forums.

Complainants should try to limit their communication with the school while the complaint is being progressed. It is not helpful if repeated correspondence is sent (either by letter, phone or email) because it could delay the outcome being reached. Whenever possible, the Headteacher or Chair of Governors will discuss any concerns with the complainant informally before applying an 'unreasonable' marking. They will make it clear that they deem the behaviours that are being displayed as being 'unreasonable'. This discussion will be logged by the school. If the behaviour continues, the headteacher will write to the complainant explaining that their behaviour is unreasonable and ask them to change it; they will make reference to the prior discussion. For complainants who excessively contact causing a significant level of disruption, we may specify methods of communication and limit the number of contacts in a communication plan. This will be reviewed after six months.

In response to any serious incident of aggression or violence, we will immediately inform the police and communicate our actions in writing. This may include barring an individual from our school site for a specific period of time to be determined by the school.

Please refer to our Managing Abusive Visitor's policy for further details.

Persistent Correspondence

If complainants frequently contact the school, causing a significant level of disruption, but refuse to engage with the complaint's procedure, the headteacher may action the following:

- Restrict the complainant to a single point of contact via an email address
- Limit the number of times the complainant can make contact.

This restriction will be limited to the complainant's capacity to complain. For all other issues, the complainant can contact the school as normal.

Vexatious Complaints

Streetsbrook Infant & Early Years Academy is aware that there are occasions when complainants behave in an unreasonable manner when raising and/or pursuing concerns. The consequences are that the actions of the complainants begin to impact negatively on the day-to-day running of our school

and directly or indirectly the overall well-being of the children and/or staff in the school. In these exceptional circumstances we may action the following:

- in the first instance the school will verbally inform the complainant that their behaviour is considered to be becoming unreasonable/unacceptable and, if it is not modified, action may be taken in accordance with this policy; this will be confirmed in writing
- if the behaviour is not modified the Chair of Governors and the Headteacher will make a joint decision as to the follow up actions (some or all of the following as necessary) to be taken having regard to the nature of the complainant's behaviour and the effect of this on the school community:
 - inform the complainant in writing that his/her behaviour is now considered by the school to be unreasonable/unacceptable and, therefore, to fall under the terms of this policy
 - inform the complainant that all meetings with a member of staff will be conducted with a second person present and that notes of meetings may be taken in the interests of all parties
 - inform the complainant that, except in emergencies, all routine communication with the complainant to the school should be by letter only
 - (in the case of physical, or verbal aggression) take advice from Local Authority HR / Legal Services and consider warning the complainant about being banned from the school site; or proceed straight to a temporary ban;
 - consider taking advice from the LA or Trust legal team on pursuing a case under Anti-Harassment legislation;
 - consider taking advice from the LA, HR and/or Legal Services about putting in place a specific procedure for dealing with complaints from the complainant, i.e. the complainant will not be able to deal directly with the Headteacher but only with a third person to be identified by the governing body of the school, who will investigate and then determine whether or not the concern / complaint is reasonable or vexatious and advise the Headteacher accordingly.

Please refer to our separate policy regarding vexatious complaints for further details.

Time Scales

You must raise the complaint within three months of the incident or, where a series of associated incidents have occurred, within three months of the last of these incidents. We will consider complaints made outside of this time frame if exceptional circumstances apply.

Complaints Received Outside of Term Time

We will consider complaints made outside of term time to have been received on the first school day after the holiday period.

Scope of this Complaints Procedure

This procedure covers all complaints about any provision of community facilities or services by Streetsbrook Infant & Early Years other than complaints that are dealt with under other statutory procedures, including those listed below.

Exceptions	Who to contact
• Admissions to schools	Concerns about admissions should be handled through a separate process – either through the appeals process or via Solihull MBC.
• Matters likely to require a Child Protection Investigation	Complaints about child protection matters are handled under our child protection and safeguarding policy and in accordance with relevant statutory guidance.

	If you have serious concerns, you may wish to contact the local authority designated officer (LADO) who has local responsibility for safeguarding or the Multi-Agency Safeguarding Hub (MASH). • MASH: 0121 7884300 • LADO: 0121 7884310
• Exclusion of children from school*	Further information about raising concerns about exclusion can be found at: www.gov.uk/school-discipline-exclusions/exclusions. <i>*complaints about the application of the behaviour policy can be made through the school's complaints procedure.</i> NB – The Behaviour Policy can be found on the school's website
• Whistleblowing	We have an internal whistleblowing procedure for all our employees, including temporary staff and contractors. The Secretary of State for Education is the prescribed person for matters relating to education for whistleblowers in education who do not want to raise matters direct with their employer. Referrals can be made at: www.education.gov.uk/contactus. Volunteer staff who have concerns about our school should complain through the school's complaints procedure. You may also be able to complain direct to the LA or the Department for Education (see link above), depending on the substance of your complaint.
• Staff grievances	Complaints from staff will be dealt with under the school's internal grievance procedures.
• Staff conduct	Complaints about staff will be dealt with under the school's internal disciplinary procedures, if appropriate. Complainants will not be informed of any disciplinary action taken against a staff member as a result of a complaint. However, the complainant will be notified that the matter is being addressed.

If other bodies are investigating aspects of the complaint, for example the police, local authority (LA) safeguarding teams or Tribunals, this may impact on our ability to adhere to the timescales within this procedure or result in the procedure being suspended until those public bodies have completed their investigations. If this happens, we will inform you of a proposed new timescale.

If a complainant commences legal action against Streetsbrook Infant & Early Years in relation to their complaint, we will consider whether to suspend the complaints procedure until those legal proceedings have concluded.

Resolving Complaints

At each stage in the procedure, Streetsbrook Infant & Early Years wants to resolve the complaint. If appropriate, we will acknowledge that the complaint is upheld in whole or in part. In addition, we may offer one or more of the following:

- an explanation
- an admission that the situation could have been handled differently or better
- an assurance that we will try to ensure the event complained of will not recur
- an explanation of the steps that have been or will be taken to help ensure that it will not happen again and an indication of the timescales within which any changes will be made
- an undertaking to review school policies in light of the complaint
- an apology.

Withdrawal of a Complaint

If a complainant wants to withdraw their complaint, we will ask them to confirm this in writing.

Informal complaints

It is to be hoped that most concerns can be expressed and resolved on an informal basis.

Concerns should be raised with either the class teacher, Deputy Headteacher or Headteacher. Complainants should not approach individual governors to raise concerns or complaints. They have no power to act on an individual basis and it may also prevent them from considering complaints at Stage 2 of the procedure.

If the issue remains unresolved, the next step is to make a formal complaint.

Stage 1 – Formal Complaints

Formal complaints must be made to the headteacher (unless they are about the headteacher). This may be done in person, in writing (preferably using the Complaint Form), or by telephone. Emailed complaints **must** be submitted to the schools' complaints address as previously mentioned.

The Headteacher will record the date the complaint is received and will acknowledge receipt of the complaint in writing (either by letter or email – all communication in reference to a complaint will be sent through the schools specific complaints email) within 5 school days.

Within this response, the Headteacher will seek to clarify the nature of the complaint, ask what remains unresolved and what outcome the complainant would like to see. The Headteacher can consider whether a face to face meeting is the most appropriate way of doing this.

Note: The headteacher may delegate the investigation to another member of the school's senior leadership team but not the decision to be taken.

During the investigation, the Headteacher (or investigator) will:

- if necessary, interview those involved in the matter and/or those complained of, allowing them to be accompanied if they wish
- keep a written record of any meetings/interviews in relation to their investigation.

At the conclusion of their investigation, the Headteacher will provide a formal written response within 20 school days of the date of receipt of the complaint. If the Headteacher is unable to meet this deadline, they will provide the complainant with an update and revised response date.

The response will detail any actions taken to investigate the complaint and provide a full explanation of the decision made and the reason(s) for it. Where appropriate, it will include details of actions the school will take to resolve the complaint.

The Headteacher will advise the complainant of how to escalate their complaint should they remain dissatisfied with the outcome of Stage 1.

If the complaint is about the Headteacher, or a member of the governing body (including the Chair or Vice-Chair), a suitably skilled governor will be appointed to complete all the actions at Stage 1.

Complaints about the Headteacher or member of the governing body must be made in writing to the Clerk, via the school office.

If the complaint is:

- jointly about the Chair and Vice Chair or
- the entire governing body or
- the majority of the governing body

Stage 1 will be considered by an independent investigator appointed by the governing body. At the conclusion of their investigation, the independent investigator will provide a formal written response.

Stage 2

If the complainant is dissatisfied with the outcome at Stage 1 and wishes to take the matter further, they can escalate the complaint to Stage 2 – a panel hearing consisting of at least three people who were not directly involved in the matters detailed in the complaint with one panel member who is independent of the management and running of the school. This is the final stage of the complaints procedure.

A request to escalate to Stage 2 must be made to the Governance Professional, via the school office, within 10 school days of receipt of the Stage 1 response.

The Governance Professional will record the date the complaint is received and acknowledge receipt of the complaint in writing (either by letter or email) within 5 school days.

Requests received outside of this time frame will only be considered if exceptional circumstances apply.

The Governance Professional will write to the complainant to inform them of the date of the meeting. They will aim to convene a meeting within 20 school days of receipt of the Stage 2 request. If this is not possible, the Governance Professional will provide an anticipated date and keep the complainant informed.

If the complainant rejects the offer of three proposed dates, without good reason, the Governance Professional will decide when to hold the meeting. It will then proceed in the complainant's absence on the basis of written submissions from both parties.

The complaints committee will consist of at least three governors with no prior involvement or knowledge of the complaint. Prior to the meeting, they will decide amongst themselves who will act as the Chair of the Complaints Committee. If there are fewer than three governors from Streetsbrook Infant & Early Years Academy available, the Governance Professional will source any additional, independent governors through another local school or through their LA's Governor Services team, in order to make up the committee. Alternatively, an entirely independent committee may be convened to hear the complaint at Stage 2.

The committee will decide whether to deal with the complaint by inviting parties to a meeting or through written representations, but in making their decision they will be sensitive to the complainant's needs.

If the complainant is invited to attend the meeting, they may bring someone along to provide support. This can be a relative or friend. Generally, we do not encourage either party to bring legal representatives to the committee meeting. However, there may be occasions when legal representation is appropriate. For instance, if a school employee is called as a witness in a complaint meeting, they may wish to be supported by union and/or legal representation.

Note: Complaints about staff conduct will not generally be handled under this complaints procedure. Complainants will be advised that any staff conduct complaints will be considered under staff disciplinary procedures, if appropriate, but outcomes will not be shared with them.

Representatives from the media are not permitted to attend.

At least 10 school days before the meeting, the Clerk will:

- confirm and notify the complainant of the date, time and venue of the meeting, ensuring that, if the complainant is invited, the dates are convenient to all parties and that the venue and proceedings are accessible
- request copies of any further written material to be submitted to the committee at least 5 school days before the meeting.

Any written material will be circulated to all parties at least 5 school days before the date of the meeting. The committee will not normally accept, as evidence, recordings of conversations that were obtained covertly and without the informed consent of all parties being recorded.

The committee will also not review any new complaints at this stage or consider evidence unrelated to the initial complaint to be included. New complaints must be dealt with from Stage 1 of the procedure.

The meeting will be held in private. Electronic recordings of meetings or conversations are not normally permitted unless a complainant's own disability or special needs require it. Prior knowledge and consent of all parties attending must be sought before meetings or conversations take place. Consent will be recorded in any minutes taken.

The committee will consider the complaint, and all the evidence presented. The committee can:

- uphold the complaint in whole or in part
- dismiss the complaint in whole or in part.

If the complaint is upheld in whole or in part, the committee will:

- decide on the appropriate action to be taken to resolve the complaint
- where appropriate, recommend changes to the school's systems or procedures to prevent similar issues in the future.

The Chair of the Committee will provide the complainant and the school with a full explanation of their decision and the reason(s) for it, in writing, within 5 school days.

The letter to the complainant will include details of how to contact the Department for Education if they are dissatisfied with the way their complaint has been handled by the school.

If the complaint is about the following, Stage 2 will be heard by a committee of independent governors.

- jointly about the Chair and Vice Chair or
- the entire governing body or
- the majority of the governing body

The response will detail any actions taken to investigate the complaint and provide a full explanation of the decision made and the reason(s) for it. Where appropriate, it will include details of actions Streetsbrook Infant & Early Years Academy will take to resolve the complaint.

The response will also advise the complainant of how to escalate their complaint should they remain dissatisfied.

NEXT STEPS

If the complainant believes the school did not handle their complaint in accordance with the published complaints procedure or they acted unlawfully or unreasonably in the exercise of their duties under education law, they can contact the Department for Education after they have completed Stage 2.

The Department for Education will not normally reinvestigate the substance of complaints or overturn any decisions made by Streetsbrook Infant & Early Years Academy. They will consider whether Streetsbrook Infant & Early Years Academy has adhered to education legislation and any statutory policies connected with the complaint.

The complainant can refer their complaint to the Department of Education online at: www.education.gov.uk/contactus, by telephone on: 0370 000 2288 or by writing to:

Appendix (ii) Roles and Responsibilities

Complainant

The complainant will receive a more effective response to the complaint if they:

- explain the complaint in full as early as possible
- co-operate with the school in seeking a solution to the complaint
- respond promptly to requests for information or meetings or in agreeing the details of the complaint
- ask for assistance as needed
- treat all those involved in the complaint with respect
- refrain from publicising the details of their complaint on social media and respect confidentiality.

Investigator

The investigator's role is to establish the facts relevant to the complaint by:

- providing a comprehensive, open, transparent and fair consideration of the complaint through:
 - sensitive and thorough interviewing of the complainant to establish what has happened and who has been involved
 - interviewing staff and children/young people and other people relevant to the complaint
 - consideration of records and other relevant information
 - analysing information
- liaising with the complainant and the complaints co-ordinator as appropriate to clarify what the complainant feels would put things right.

The investigator should:

- conduct interviews with an open mind and be prepared to persist in the questioning
- keep notes of interviews or arrange for an independent note taker to record minutes of the meeting
- ensure that any papers produced during the investigation are kept securely pending any appeal
- be mindful of the timescales to respond
- prepare a comprehensive report for the head teacher or complaints committee that sets out the facts, identifies solutions and recommends courses of action to resolve problems.

The Headteacher or Complaints Committee will then determine whether to uphold or dismiss the complaint and communicate that decision to the complainant, providing the appropriate escalation details.

Complaints Co-ordinator (this could be the Headteacher, designated complaints governor or other staff member providing administrative support)

The complaints co-ordinator should:

- ensure that the complainant is fully updated at each stage of the procedure
- liaise with staff members, head teacher, Chair of Governors or the Clerk and to ensure the smooth running of the complaints procedure
- be aware of issues regarding:
 - sharing third party information
 - additional support. This may be needed by complainants when making a complaint including interpretation support or where the complainant is a child or young person
- keep records.

Governance Professional to the Governing Body / Trust Board

The Governance Professional is the contact point for the complainant and the committee and should:

- ensure that all people involved in the complaint procedure are aware of their legal rights and duties, including any under legislation relating to school complaints, education law, the Equality Act 2010, the Freedom of Information Act 2000, the Data Protection Act (DPA) 2018 and the General Data Protection Regulations (GDPR)
- set the date, time and venue of the meeting, ensuring that the dates are convenient to all parties (if they are invited to attend) and that the venue and proceedings are accessible
- collate any written material relevant to the complaint (for example: stage 1 paperwork, school

and complainant submissions) and send it to the parties in advance of the meeting within an agreed timescale

- record the proceedings
- circulate the minutes of the meeting
- notify all parties of the committee's decision.

Committee Chair

The committee's chair, who is nominated in advance of the complaint meeting, should ensure that:

- both parties are asked (via the Governance Professional) to provide any additional information relating to the complaint by a specified date in advance of the meeting
- the meeting is conducted in an informal manner, is not adversarial, and that, if all parties are invited to attend, everyone is treated with respect and courtesy
- complainants who may not be used to speaking at such a meeting are put at ease. This is particularly important if the complainant is a child/young person
- the remit of the committee is explained to the complainant
- written material is seen by everyone in attendance, provided it does not breach confidentiality or any individual's rights to privacy under the DPA 2018 or GDPR.

If a new issue arises it would be useful to give everyone the opportunity to consider and comment upon it; this may require a short adjournment of the meeting

- both the complainant and the school are given the opportunity to make their case and seek clarity, either through written submissions ahead of the meeting or verbally in the meeting itself
- the issues are addressed
- key findings of fact are made
- the committee is open-minded and acts independently
- no member of the committee has an external interest in the outcome of the proceedings or any involvement in an earlier stage of the procedure
- the meeting is minuted
- they liaise with the Governance Professional (and complaints co-ordinator, if the school has one).

Committee Member

Committee members should be aware that:

- the meeting must be independent and impartial, and should be seen to be so no governor may sit on the committee if they have had a prior involvement in the complaint or in the circumstances surrounding it.
- the aim of the meeting should be to resolve the complaint and achieve reconciliation between the school and the complainant. We recognise that the complainant might not be satisfied with the outcome if the meeting does not find in their favour. It may only be possible to establish the facts and make recommendations.
- many complainants will feel nervous and inhibited in a formal setting; Parents/carers often feel emotional when discussing an issue that affects their child.
- extra care needs to be taken when the complainant is a child/young person and present during all or part of the meeting. Careful consideration of the atmosphere and proceedings should ensure that the child/young person does not feel intimidated. The committee should respect the views of the child/young person and give them equal consideration to those of adults. If the child/young person is the complainant, the committee should ask in advance if any support is needed to help them present their complaint. Where the child/young person's parent is the complainant, the committee should give the parent the opportunity to say which parts of the meeting, if any, the child/young person needs to attend. However, the parent should be advised that agreement might not always be possible if the parent wishes the child/young person to attend a part of the meeting that the committee considers is not in the child/young person's best interests.
- the welfare of the child/young person is paramount.
