

Around and round and
round we go.

When we get home we
have a zero.

Start at the top and
down we run.

That's the way we
make a one.

Around and back on a
railroad track.

Two, two, two!

Around the tree and
around the tree.

That's the way we
make a three.

Down and over, down
some more.

That's the way we
make a four.

The bee dives down,
and around the tree.

Go across to the hive,
that's the way we make a five.

Down we go and make
a loop.

Number six makes a
hoop.

Across the sky and
down from heaven.

That's the way we
make a seven.

Make an 's' and do
not wait.

When it's joined up
you have an eight.

Make a loop and then
a line.

That's the way we
make a nine.
