

*Run, run as fast as you can, you can't catch me
I'm the Gingerbread man!*

Dun dun duuunnn!!!! A crime scene had appeared in Reception, there was flour everywhere and a gingerbread shape on the floor! We investigated all the clues and followed the footsteps! We looked at a map and discussed places the Gingerbread Man may have ran to around the school to keep safe from being eaten. We then discovered that it was Mrs Miller who had been chasing him and had tried to eat him! We found him over in The Nest where he had left us some ginger biscuits to say thank you for keeping him safe.
