Dear Parents

Re: Maths Workshop for Year 2 Parents

You will recall from our September Information Evening and our diary dates that we will be holding a Maths Workshop for Year 2 parents on Thursday 5 November 2026 at 9.00am.

At these workshops, you will find out about how we teach maths within school, and how you can support your child at home. This is an information-based session with the opportunity to watch a shortened live lesson with one of our Year 2 class teachers.

If you would like the opportunity to attend the workshop, we would be grateful if you could email the school office confirming your child's name and attendance by Wednesday 4 November. If we do not receive confirmation of your attendance, we cannot guarantee that you will see your child during the session due to the organisation and preparation of the workshop.

Please note that we are unable to accommodate younger children at these workshops.

Yours sincerely

N Cartwright
